

Hello and welcome to my newly refreshed website. Thank you for your interest in me and my music.

I'm happy to announce that a film I scored last year which premiered at Sundance has started airing on HBO: [**Shouting Fire: Stories from the Edge of Free Speech**](#) .

I've been extremely busy this past year and am just now in the process of completing two more documentary film projects: Rory Kennedy's **THE FENCE** for HBO, and Evangeline Griego's **GODWILLING** for ITVS.

Also soon to be completed, the indie doc by Amanda Pope and Tchavdar Guirgiev T **HE DESERT OF FORBIDDEN ART**

And in post production, the film I am not only scoring, but co-producing, **ONE LUCKY ELEPHANT** , to be completed this fall.

I'll try to keep this blog up to date -- there's always something really interesting going on!
